# Project Description

The "Mall of Sofia" is a shopping mall, located in the city center of Sofia. The shopping and entertainment area extends to 35,000 square metres, the office area covers 10,000 square metres and 8.000 square metres are public areas. The multiplex area includes 13 cinemas and the first IMAX in Bulgaria! Lindner operated as general contractor for the construction and the interior fit-out of the shopping mall.
