

ICADE Funky MK 9

Munich, Germany

 **Lindner**

© Lindner, Arnstorf (D)

Project Description

A new complex of office buildings is in construction at Arnulfpark in Munich. The ICADE Funky office building received a pre-certificate by the German Sustainable Building Council (DGNB) in October 2009 and subsequently the DGNB Certificate in Gold. Lindner carried out longitudinal sound reduced heated and chilled ceilings, raised and hollow floor systems, quality corian wall cladding, customised doors as well as dry lining work.

Calcium sulphate panels
FLOOR and more®
NORTEC
