

ThyssenKrupp Quartier

Essen

 **Lindner**

Project Description

The ThyssenKrupp Quartier in Essen is the new headquarter of the company and provides space for 3,000 people. Lindner fitted hollow- and raised floor systems in the buildings Q5 and Q7. In the building Q2, the forum, we carried out high quality dry lining works in the meeting rooms, the lecture hall, in the "Raum der Stille" and the employee and guest restaurant. ThyssenKrupp was awarded the DGNB Certificate in Gold.
